

# CVR New York Family Resource Guide

This is not an all-inclusive guide to family resources available in Westchester County or New York City.

Westchester County residents can call United Way's 211 Helpline by dialing 2-1-1. The help line offers health and human services information, referral, assessment, and crisis support to help callers find the assistance they need to address the everyday challenges of living, as well as those that develop during times of disaster and other community emergencies.

New York City residents can call NYC 311 by dialing 3-1-1. This help line provides quick, easy access to all New York City government services and information.
